Discussed billing rates for properties with more than one unit and if there are any changes for Air BnB's. The clerk will check with the state to see if there are any updated regulations with air bnb's.

Cris & Randy Choquette approached the board with an issue that occurred on January 15th, 2023. They ran out of water and burnt up their pump because of this. They would like to be reimbursed for the purchase of a new pump that they've already ordered in the amount of \$523.63. The Choquette's also requested that they be notified by Karson if there is an issue at pump house or scheduled maintenance and it will be down so that they can plan accordingly. Tabled until the next meeting.
